8. DISCLOSURE IN TERMS OF ACCOUNTING STANDARDS (AS):**a) Net Profit or Loss for the Period, Prior Period items and changes in Accounting Policies (AS 5):**

There are no material prior period income/expenditure items requiring disclosure under AS-5.

b) Revenue Recognition (AS 9):

There has been no occasion of postponing revenue recognition pending resolution of significant uncertainties. As per Accounting Policy No.6 given in Schedule-18, Significant Accounting Policies, certain items of income are recognized on realization basis on account of statutory requirement or on account of materiality.

c) Employee Benefits (AS 15):

The Bank has accounted for employee benefits as per AS 15 issued by ICAI.

KVG BANK Employees Pension Regulation 2018:

Model Regional Rural Bank (Employees') Pension Regulation, 2018 was adopted by the Bank. Employees who joined the service prior to 01/04/2010 become eligible for the Scheme. The pension is payable from 01/04/2018 onwards in respect of eligible employees, existing or retired or eligible family members of such employees. The Bank had entrusted the assessment of actuarial valuation of pension liability to M/s Bhudev Chatarjee, Kolkata, approved agency for actuarial valuation and the total pension liability has been assessed at Rs. 871.84 crores as on 31.03.2020.

In terms of the requirements of Accounting Standard – 15 (Revised) – Employee Benefits, the entire amount of Pension liability on account of pension option granted to employees is required to be charged to Profit & Loss account. However, in accordance with the permission granted by Reserve Bank of India as advised by NABARD, vide letter No. NB.DoS.PoL.HO/2533/J-1/2019-20 dated 12-12-2019, RRB's are permitted to amortize their pension liability over a period of 5 years beginning with the financial year ended 31st March, 2019 subject to a minimum of 20% of the pension liability assessed as at 31st March of the year concerned. Accordingly, RRBs may ensure that a provision of at least 40% of the total Pension Liability assessed by them is charged to the Profit & Loss account and provided for as on 31.3.2020. In view of the exceptional nature of the event, pension related unamortized expenditure need not be reduced from Tier-I capital. Hence, the Bank has exercised the option of amortizing the pension liability over a period of 5 years and has made a cumulative provision of Rs. 348.74 crore only as on 31.03.2020 (40% of total pension liability as on 31.03.2020 and which includes provision of Rs.40 crore made during the year ended 31.03.2019). An amount of Rs.48.13 crores have been refunded by the retired employees / family pensioners to the Pension trust directly as per the Scheme and utilized by the trust for payment of pension / commutation without contributing to LIC of India and as such not considered in the books of account of the Bank.
